Order of Ontario Recommendation for Andrew Burgess

Ref. No. COU-2001-06

31st March 2001

Dear Council,

I would like to formally name Andrew Burgess for the recommendation to the Order of Ontario and ask that this Council support the recommendation for this award.

Andrew (Andy) embodies all that is finest in a man, having distinguished himself in the Ontario Provincial Police for many years; for having served many charities and assisting the youth of this area. The accompanying testimonials from many people show the depth of character of the man and his willingness to help others in their times of need.

This man has served not only our and neighbouring communities, but also the people of the Province of Ontario to the highest degree.

I look forward to your recommendation to accompany my and others testimonials as we look to support this fine deserved candidate for this most worthy of awards.

Yours Faithfully,

Sandy
