Dear Ron,

I hope you had a pleasant holiday season and are starting to get back in the swing of things. I have a couple of items and wonder if you could get back to me, or get them put on our next convenient Recreation Board agenda.

1. Snowmobile Safety.

- The recent tragic accidents in and around the area, of our young people gives me major concern. I wonder if it would be possible for you to talk to the Snowmobile clubs in the area (Tiverton, Underwood & Kincardine), to see if there is some sort of educational campaign the Municipality could sponsor, with hands on instruction. We could do this at the arenas, we could involve the O.P.P. and we could try and get the Snowmobile manufacturers involved. A starting point for this, may be Bill Tennyson, in Underwood, he might know how to help out, or who to talk to.
- This would be seen as being proactive in the protection of our young people in this recreational activity.
- I will also bring this up at Council.

2. Tiverton Arena Addition.

- Could we have an update on the progress of this item and our path forward, for the meeting.

3. Tiverton Lions Memorial Grove

- Have we had any formal feedback or ideas from anyone. If not, can we start to make some headway on this.
- If this is Public Works responsibility, let me know.

4. Tiverton Arena lands.

- Dennis Todd has talked to me about him turning the land over (plowing) we won't be using, so that he can keep the weeds down on his property. I don't know if he wants to seed it down or not, doesn't really matter, I think this is a great idea. Can you talk to Dennis to start to formalize some sort of deal. I really don't want money to change hands here.

Yours Faithfully,

Sandy Donald.
